07265

NMF0106

Part No. MENMF0106

- 12.5" sweeping width
- Adjustable angle design easily reaches under machinery or cars
- Aluminum telescopic handle extended from 550mm to 950mm

Regular Magnetic Floor Sweeper

These models are incredibly strong and well built. Powerful ceramic magnets are encased in a durable aluminum housing which can be cleaned of collected debris with work gloves or heavy shop towel.

- The 24" model picks up 7.5 lbs. of 8-penny nails from 2" height (approximately 680pcs.)
- The 36" model converts to a hang-type sweeper
- All models are 1.75" high by 5" deep (does not include wheel dimensions)
- Light aluminum housing, durable rubber wheels
- Easy to operate over most terrain, even in water
